NORWICH MEN DEFENDANTS

Louis C. Zechel, Sues Harris & Craney of Norwich, Claiming \$52.50 Due for Repairs and Materials for Car.

Wednesday's session of the Superior court in this city was taken up with the trial of the case of Louis G. Zechel, until recently in the automobile business at the Thread City garage, against Harris and Craney, of Norwich, for a bill of \$52.50 for labor and materials on their car, the work having been done in the fall of 1914. The defense is understood to be unsatisfactory repairs, and a counterclaim for \$100 damages has been entered by their attorney, R. M. Douglas of Norwich. P. J. Danahey represents the plaintiff.

The jury trying the case is composed of William J. Sweeney, Windham; Bert H. Gardner, Ashford; Ripley Witter, Brooklyn; Eugene Perry Canterbury, Charles E. Budd, Eastford; A. L. Washburn, Hampton; Louis E. Young, Killingly; William A. Shippey, Killingly; Charles E. Brennan, Scotland; William Woodstock, Daniel P. Gilbert, Putnam and Edwin S. Russ, Windham.

The first witness Mrs. Caroline J. Connor, sister of the plaintiff, bookkeeper for her brother at the time the work was done, testified in regard to the items of the bill, and the custom of keeping books at the garage. On cross examination witness said she

DEAFNESS CANNOT BE CURED by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. This tube is inflamed by a running sound of the imperfect hearing, and when it is entirely closed deafness is the result, unless the inflammation can be taken out and this tube restored to its normal condition. Hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists everywhere. Take Hall's Family Pills for constipation.

Colds Do Not Leave Willingly. Because a cold is stubborn is no reason why you should be. Instead of "wearing" it out, get sure relief by taking Dr. King's New Discovery. Dangerous bronchial and lung ailments often follow a cold which has been neglected at the beginning. As your body faithfully battles these cold germs, no better aid can be given than the use of this remedy. Its merit has been tested in city and country. Get a bottle today. 50c and \$1.00.
